

HONORING SONYA ROMERO

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 24, 2015

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today with great pride to honor one of our exceptional teachers, Ms. Sonya Romero from Lew Wallace Elementary School in Albuquerque, New Mexico.

Sonya Romero is a bilingual teacher who focuses on early childhood education. She is a candidate for National Board certification; she serves on the state's NMTEACH council; and was recently appointed Executive Vice President of the Albuquerque Teachers Federation.

A teacher for the past 20 years, Sonya has worked at Lew Wallace Elementary located in downtown Albuquerque for the last 10 years. The small student population is represented by a wide variety of cultures and languages. Three out of every four students qualifies for the National School Lunch Program. Many of the kids are from families that are homeless or rely on housing assistance; and they struggle with food insecurity.

The tightknit Downtown community is also home to everyday heroes who will do anything for students, colleagues and neighbors, including rallying around families in need; locating desperately needed services; packaging food in back packs for the weekend; inviting parents to have a free breakfast with their son or daughter; spending their own money on clothes, shoes or school supplies; and even inviting an illiterate mother to sit in during story time to help her learn to read.

Several months ago, some of her former students were placed in a dire family situation causing Child Protective Services to intervene with the intent of placing the two sisters with a foster family. Sonya and her teenage son made the decision to take the girls into their own home and they have been there since.

Sonya and Lew Wallace Elementary School were recently featured on "The Ellen DeGeneres Show" and received \$20,000 from Target. Sonya is grateful that her story is shedding light on the roles that many teachers embrace for the benefit of their students. She considers her work and that of her fellow teachers very special and views this recognition as a community celebration. Sonya reminds us that most teachers are not just providing instruction, but are deeply committed to the overall well-being and success of their students. They overcome challenges, and create a secure and trusting environment for our children.

TRIBUTE TO JACK HAWKINS

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 24, 2015

Mr. OLSON. Mr. Speaker, I am privileged to interact with some of the brightest students in the 22nd Congressional District who serve on my Congressional Youth Advisory Council. I have gained much by listening to the high school students who are the future of this great nation. They provide important insight into the concerns of our younger constituents and hopefully get a better sense of the importance of being an active participant in the political process. Many of the students have written short essays on a variety of topics and I am pleased to share them with my House colleagues.

Jack Hawkins attends Pearland High School in Pearland, Texas. The essay topic is: in your opinion, what role should government play in our lives?

The most important reason I believe Americans should be involved in the political process is because of the right we were given to vote for the leaders of our country. One reason I believe this is a crucial role of citizens is because with this right it allows us to vote into office the people who we believe will pursue and advocate effectively what we as citizens are needing from our city, state, and federal government. This right is one of the primary reasons our great nation was founded, so that people could live in a democracy and advocate to officials what they needed instead of having a monarchal (or more commonly today) a dictatorship classification of government speak for them. But more importantly, I believe citizens should exercise this right because we have thousands of soldiers stationed all over the world helping to both defend this right for our country, and try to help others achieve the type of democratic government that we possess and believe in so prominently. Therefore by exercising this right, it is a small way to show our appreciation and gratefulness for our troops by exercising this right that they are fighting for so valiantly.

The other important reason I believe Americans should be involved in the political process is because with the election of our nation's leaders it is has repeatedly proven by history that through former political leaders, specifically past American presidents, the United States has made substantial positive differences in both domestic and international affairs. For example with the election of Franklin D. Roosevelt who transformed the country's economy. With the enacting of his New Deal policies Roosevelt was able to provide millions of Americans with jobs and economic security therefore helping America incredibly through the

Great Depression. Also America has made major strides in international affairs such as through President Obama who with the aid of America's top military leaders and the United States' Navy SEALs team was able to kill Osama bin Laden, the leader of the terrorist group Al-Qaeda who was responsible for horrific acts including most infamously the bombing of the Twin Towers on September 11, 2001. Although it has not stopped Al-Qaeda completely, President Obama along with his esteemed colleagues made American history and showed the strength of the United States as an international power. The United States is the by far the best country in the world and it is repeatedly shown through the election of our country's leaders who throughout history and in the future will continue to show America's greatness both domestically and internationally if the citizens of our magnificent country continue to take an active role in America's political process.

CONGRATULATING LEROY AND
OVIA MARIE MCGINNIS ON THEIR
65TH WEDDING ANNIVERSARY**HON. JASON SMITH**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 24, 2015

Mr. SMITH of Missouri. Mr. Speaker, I rise today to congratulate Leroy and Ovia Marie McGinnis on their 65th wedding anniversary. They were married on March 3, 1950 in a courthouse in Arkansas. Although they were young, their love for one another was unconditional. In fact, Leroy was so intent on marrying the love of his life that he spent the last four dollars to his name to pay for their modest ceremony. Worried of what their families might think, Leroy and Ovia Marie kept their marriage a secret for several weeks.

Soon after marrying, the young couple moved to Cuba, Missouri, where their love and affection for one another continued to grow. They have raised six children together, and Mr. McGinnis still serves as CEO of McGinnis Wood Products, a very successful business that he founded in 1968.

Again, I want to wish Mr. and Mrs. McGinnis a Happy Anniversary and many more years of joy!

HERMANTOWN FIFTH-GRADERS

HON. RICHARD M. NOLAN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 24, 2015

Mr. NOLAN. Mr. Speaker, I rise today to recognize three very compassionate fifth-grade school children for their leadership in protecting us against the silent killer of carbon monoxide poisoning. The students who have stepped forward to meet an important community need are Bryanna Kliegle, Alexa Aagenes and Ani Jovanovich of Hermantown Middle School.

I don't think I have to remind anyone that winters in Minnesota can be very cold. We Minnesotans are hardy souls and deal with it. But with the cold temperatures, there is a silent killer that unfortunately creeps into our communities every year as people try to warm their homes. This killer is called carbon monoxide poisoning.
